Dear Parent

Non Uniform Day - Fundraising for Arts Award

We have decided to have a non-uniform day on Friday 5th January in order to raise funds to apply for the Arts Award in school. It is suggested that students give a £1.00 contribution if they choose to wear non dress code to school.

Cultural education gives children and young people the opportunity to develop their creativity, both individually and collectively, and that's why our goal is for every child and young person to have the opportunity to experience the richness of the arts.

As always, even though it is non dress code day, we expect clothing that is appropriate for working within a school environment. We have made it clear to the students that shorts over tights are not appropriate, neither are 'onesies'. Leggings are acceptable as long as the top that is worn over them is an appropriate length (mid-thigh length as a guide). Tops on females must not be too low or cropped. Skirts also need to be an appropriate length. Lessons will run as normal, therefore all normal equipment (including Lees Brook PE Kit) is required.

If you have any questions about non dress code day, please contact your child's Head of Year.

Yours faithfully
