

April 2018

Dear Parent

Year 10 GCSE Revision

I am writing to invite you to an essential evening coming up for Year 10 students and their parents on Thursday 17th May. The evening will be separated into three key sections, a presentation about how to support your youngster doing revision at home and two practical workshops (English and Maths based) which will demonstrate some of the practical revision strategies in these subjects.

The workshops will be delivered between 6.00pm and 7.30pm; please be here by 5.50pm so that you can be directed to your first session.

We will also have information ready for you from faculties about the topics/skills that your youngster will need to revise and effective strategies from each department area. You will be able to order exam revision guides for your youngster if you do not have them already and we will be selling ready-made packs of revision stationery for £1.

This evening is purposely timed to give yourselves and your youngsters the information and guidance they need in order to prepare for both their Year 10 GCSE trial examinations this summer and for their final examinations in Year 11.

If you would like to attend the Year 10 Revision evening on Thursday 17th May, please complete the reply slip below and return it to student services by Friday 4th May. Due to potential numbers of people attending the event, each youngster will only be able to bring one adult to accompany them. This event will be an exciting and informative evening and we look forward to seeing you there.

Yours faithfully

Zoe House
Headteacher

Please return to Student Services by Friday 4th May

Year 10 GCSE Revision evening - Thursday 17th May 2018
