

25 September 2019

Dear Parent

Year 11 GCSE Exam Preparation and Post 16 Pathway Evening (5pm -7pm)

I am writing to invite you to an essential evening coming up for Year 11 Parents on Wednesday 16th October. During the evening there will be a presentation which will give guidance about the future pathway options for your youngster. A wide range of post 16 providers (including local colleges and sixth form providers) will be there for you to talk to; many of these providers will accept applications on this evening.

There will be key information to support your child's exam preparation, including up to date progress information for your youngster, revision resources from all department areas, an opportunity to purchase a range of revision resources and important GCSE examination information.

This evening is purposely timed to give yourselves and your youngster the information and guidance they need in order to prepare for both their GCSEs next summer and for the upcoming trial examinations in November. There is also the first of two Year 11 Subject Evenings on Thursday 9th January (trial examination results will also be issued at this meeting.)

If you would like to attend the Year 11 GCSE Exam Preparation and Post 16 Pathway Evening on Wednesday 16th October, please complete the reply slip below and return it to student services by Friday 4th October. This event will be an exciting and informative evening and I look forward to seeing you there.

Yours sincerely

Zoe House
Headteacher

Please return to Student Services by Friday 4th October
