

March 2020

Dear Parent/Guardian

Cancellation of the 2020 Work Experience Programme

We have made the difficult decision to cancel the Year 10 Work Experience due to take place in July 2020. We have already been contacted by some of the Employers who have cancelled placements for the rest of 2020.

As a school we really believe in and value the experience that students get from taking part in this so the Work Experience Programme for current Year 10 students will be reviewed once we are back to normal in school.

You do not need to do anything, Lees Brook will contact employers to let them know.

Yours faithfully

Miss Kim Luker
Work Experience Coordinator
