

**LEES BROOK
COMMUNITY
SCHOOL**

31 August 2020

Dear Parent,

As you may be aware, the Government have changed their advice surrounding the wearing of masks in school. In light of this, Trust board have decided that **the wearing of face coverings in busy communal areas by both staff and students is strongly encouraged.**

Please note that masks must be plain in appearance, no logos or motifs and must be worn appropriately and sensibly.

I will of course review this decision in light of any updated government guidance and any changes in the local situation.

Yours faithfully
