2 November 2020

Dear Parent,

As you will be aware, Derby has now been upgraded to Tier 2 or a 'high alert' lockdown area.

As I stated in my previous letter, as per the government guidance, students must now wear a face mask in school other than when they are in a classroom.

Please can you ensure that your youngster has a suitable mask for them to wear in school from tomorrow. If your child is exempt from wearing a mask, please can you email or send in medical notification of this as soon as possible.

Yours faithfully

Zoe House
Headteacher
