School: **Lees Brook Community School**

Dear Parents/Carers of Year 9 students

We will attend school during the summer term to vaccinate Year 9 students with the HPV Human Papilloma Vaccine.

We have already got consent forms for the majority of Year 9 students and most have already been given their 1st HPV vaccination, however there are still some Year 9 students that would like their 1st HPV vaccination but were unable to receive this last year due to the COVID pandemic.

If you have already completed the HPV consent form we will vaccinate with either the 1st or 2nd dose of HPV during the summer term at school. However if you would like your child to receive their HPV vaccinations and you **haven't** already completed the consent form please visit [Vaccination Consent \(derbyshireandcityimms.co.uk\)](http://derbyshireandcityimms.co.uk) to complete the consent form. The option to consent or decline the vaccination is at the end of the questionnaire so please complete even if you do not want your child to have the vaccination.

Your unique school code for **Lees Brook Community School** is **DC143934**

For more information about the vaccination and the date we are due into your school please visit our website: <http://www.derbyshireschoolnurses.org.uk/parents/immunisations>

If you experience any problems please call the School Age Immunisation Team.

Yours Sincerely

Immunisation Team

Please note: Legally students can self-consent on the day, however this creates much more work for staff and the team.
